

## Job Posting

### English as a Second Language Teacher

---

#### About:

Heartland International English School was founded in Winnipeg in 1999 to provide English as a second language training and testing for international students who enter Canada on a visitor, study, or work permit. The school has provided English language training to students from over 60 countries and has an extensive student recruitment agent network around the world.

The Mississauga campus was opened in June 2015 to meet the need of a growing local and international demand in the Mississauga area. We currently have a great opportunity for teachers to join our dynamic team in a part-time or full-time capacity in this new campus.

#### Summary:

Plan and teach English to a culturally diverse student population in beginner through high-advanced levels

#### Qualifications:

- Certificate in Teaching English as a Second Language or equivalent from a TESL certified institution with a minimum of 20 hours of supervised practicum
- Undergraduate university degree
- Strong understanding of ESL principles, approaches, and techniques
- Experience teaching adult students (16 years and over) in a multi-level environment
- Cross-cultural experience
- Excellent written and verbal communication skills
- Overseas teaching experience (preferred)
- IELTS, TOEFL, CELPIP knowledge (preferred)
